

PVC Fire-Resistant

Oversized hood-conforms to USFA-FEMA standards. Fits entire head completely. Covers head, hair, facial hair, and glasses. Protects head from flames, thermal radiation, and dust from fire. Flammable-resisting aluminum foil cloth.

Extra Large Clear Vision Window

Provides wearer with clear view.
Reduces chances of claustrophobia.

Rubber Mouth & Nose Piece

Comfortable, smooth rubber mouth piece for easy breathing.

Stainless Steel Cartridge Shell

Allows 30-60 minutes of filtered safe air.

Elastomeric fire-resistant treated cotton / neck damn

Seals out polluted air. Adjustable two-point belt button helps fit mask securely to face.

Lifemask 60
